## Guidance Notes

- 1. This customer request and consent form is to be used by an Incoming Financial Institution to obtain a Regular Payments List on the customer's behalf.
- 2. The customer should be advised that Regular Payments List will include regular debits and credits to and from listed personal accounts, and may also include periodical payments, recurring payments and 'pay anyone' payments using internet banking services which the customer may wish to set up again from his or her new account. These customer initiated payments cannot be re-established using the Account Switch facility.
- 3. The customer should also be advised that once the Regular Payments List is provided by the Outgoing Financial Institution, the Incoming Financial Institution will ask the customer to review that list and will help the customer establish new regular debit and credit payments arrangements.
