What's your next personal goal?

Found something you love, and need it right now? With a Suncorp Bank Personal Loan, you get fast approval, fast money and great service. So whether you need extra money for a new car, a holiday, home renovations, or maybe you'd like to consolidate your debts, a Suncorp Bank Personal Loan can help you reach your goal sooner - just ask us!

What's the difference between Secured and Unsecured Loans?

Suncorp Bank Secured Loans are available if you're buying a car that's less than five years old from a dealership. Suncorp Bank will use your car as security for the loan, which means we can offer you a lower interest rate. If you're buying a car that doesn't fit this description, or borrowing for another purpose, don't worry. You can still apply for a Suncorp Bank Unsecured Personal Loan.

Unsecured Personal Loans are available for any worthwhile purpose – from holidays to home renovations. Plus, all our Personal Loans have a fixed interest rate, making it easier for you to manage your repayments.

Why choose a Suncorp Bank Personal Loan?

The main benefits of a Suncorp Bank Personal Loan are:

- once approved, you get your money fast
- enjoy a fixed competitive interest rate for the life of the loan
- low fees
- no penalties for extra repayments*
- pay weekly, fortnightly or monthly
- flexible loan terms.

Suncorp Bank Personal Loans get the tick of approval.

As you can see from the table below, a Suncorp Bank Personal Loan ticks all the boxes.
