

## 5. Investment selection (if different from future investment strategy, otherwise go straight to section 7)

You may select a maximum of 20 investment options at any time. Please refer to the investment information in the current Suncorp Employee Superannuation Plan PDS and Member Booklet before selecting an investment option. For some investment options, a PDS is issued by the underlying manager, free of charge. You can download copies from our website or ask us for a printed version. Before you make an investment choice you should consider the relevant investment manager's PDS.

Because you're investing this money into different investment options from your standing arrangements (your future investment strategy) with us, we'd like to check a couple of things.

Does this mean you want to cancel auto-rebalancing on your account? Unless you tell us otherwise, we'll leave auto-rebalancing in place on your account when we process this form.

- I'd like to continue using auto-rebalancing using my existing instructions
- I'd like to continue using auto-rebalancing and change my future investment strategy to the options selected in section 5
- I'd like to cancel auto-rebalancing

If you continue using auto-rebalancing, it'll switch all your current investments (including this additional investment) to your future investment strategy at each rebalancing date, which might not be what you want if you're choosing different options for this investment.

If your auto-rebalancing is cancelled now, you can easily start it again later (and nominate other investment options) by completing an investment change form which is available from our website.

**7. Declaration and signature**

- I understand for some investment options, a separate PDS is issued by the underlying investment manager and is available from your website at [suncorp.com.au](http://suncorp.com.au) or by contacting you, and I consent to getting these PDSs by downloading them from this website or asking you for a printed version
- My investment choices have been made after reading the current Suncorp Employee Superannuation Plan PDS and Member Booklet, and the underlying investment manager's PDS for each investment option
- I acknowledge, when I make any investment decisions or transact on my account, I may have not read the most recent investment manager's PDS for each investment option and may not have been notified about material changes or significant events that adversely affect a matter that should be in the PDS for those investment option
- I consent to getting notification and an explanation of any material change or significant event that adversely affects a matter in the most recent PDS(s) for the underlying financial product(s) for each investment option by downloading the information from your website at [suncorp.com.au](http://suncorp.com.au)
- I understand that if I've not indicated otherwise, auto-rebalancing will remain on my account
- I understand that, if I've chosen to continue auto-rebalancing, then my current investments (including this additional investment) will be switched in line with my previously nominated future investment strategy on the first rebalancing date that my future investments have changed to
- I've read and agree to be bound by the Suncorp privacy policy which is available on your website at [suncorp.com.au](http://suncorp.com.au)
