

02 | Connect An App

Connect An App – The Store

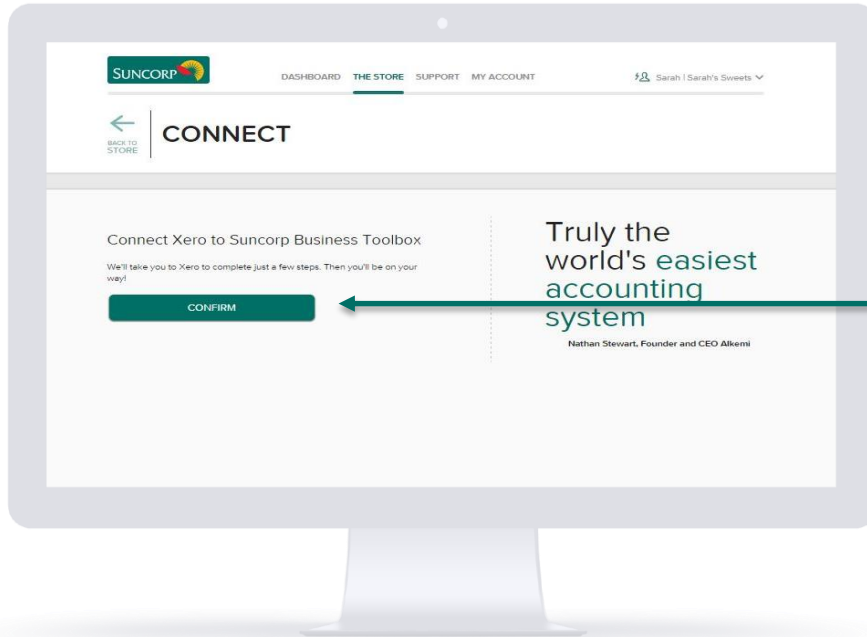

Scroll over App

Connect An App – The Store

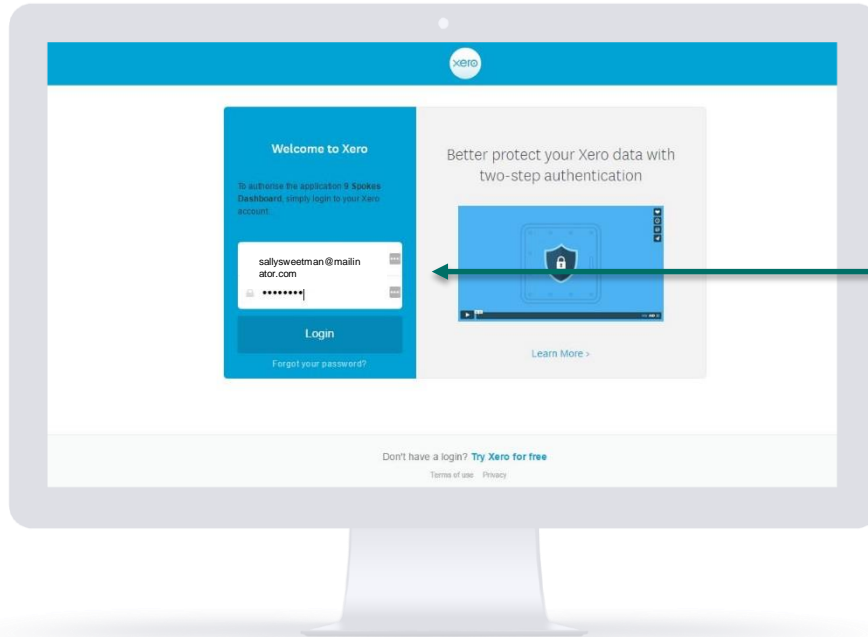

Click the 'Connect Now' button

Connect An App – Confirm

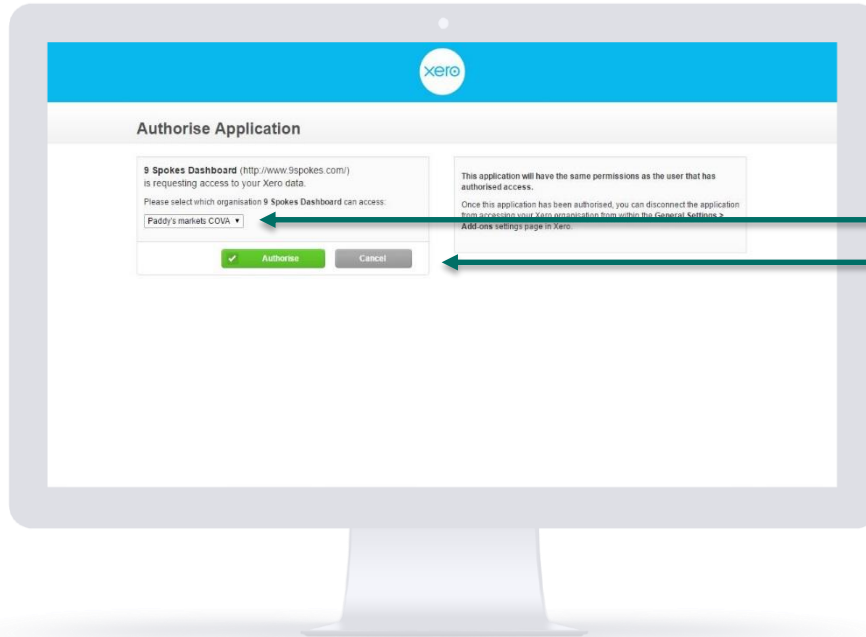

Click the 'Confirm' button

Connect An App – App Login

Enter your App Login
Credentials

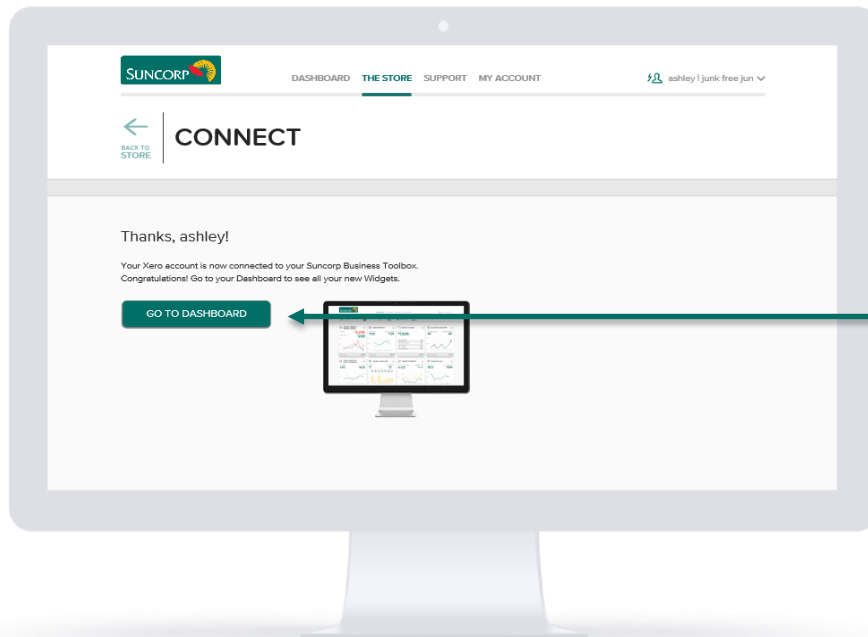

Connect An App – Authorise

Select the organisation you'd like to connect to your Suncorp Business Toolbox Dashboard

Then click 'Authorize' to be taken back to Suncorp Business Toolbox

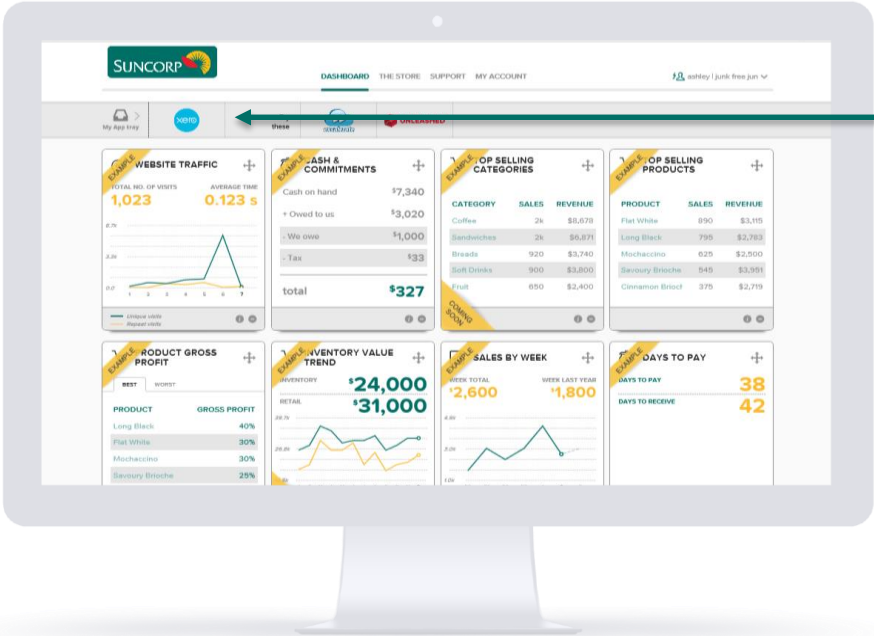

Connect An App – Success!

Success! The app is now connected to your Dashboard

Click 'Go to Dashboard'

Connect An App – Widgets Pending Data

The app should now be in your App Tray

We're working hard behind the scenes to power your Widgets!

This can take up to 45 minutes the first time depending on how much data is in your Xero file

Don't worry, your Widgets will refresh automatically after the initial load
