SUNCORP BANK EXPANDS SERVICES IN MILES

Suncorp Bank has announced the opening of its District Banking Centre in Miles, in line with its commitment to servicing customers' full banking needs locally in regional Queensland.

Suncorp Bank District Banking Manager Gavin Gunther said the new District Banking Centre would be beneficial to local small business, agribusiness and personal customers.

"We have converted our existing business banking centre in Miles into a District Banking Centre which will allow customers to perform deposit and transactional banking functions in addition to having their business banking needs met," Mr Gunther said.

"Customers have told us they want to be able to do things such as apply for credit cards, and personal loans and now they can. The new District Banking Centre essentially offers a 'one stop shop' making it very convenient for our customers to have their full banking needs serviced.

"Leticia Allwood has been appointed as the new Sales and Service Consultant for the Centre, joining Sales and Service Officer, Stephanie Perkins. Leticia has a wealth of local knowledge, having spent 19 years in the Miles area."

The new Miles District Banking Centre supports Suncorp Bank's strategy to position its banking centres and branches in the best places to meet the needs of local customers and become the best bank for regional Queensland.

This centre adds to the existing network of District Banking Centres that commenced operations earlier this year - Charleville, Mt Isa and St George (Qld) Dubbo and Griffith (NSW).

Suncorp Bank has improved its telephone banking system, which now enables callers to speak with a real person instead of an automated voice system.

The Miles District Banking Centre located at 73A Murilla Street is now open. Leticia and the team are looking forward to welcoming customers.
