Suncorp launches branch and ATM locator for iPhones™

Suncorp Bank today launched an application for iPhones™ making it easier for customers to locate its growing branch and ATM network, including Bendigo ATMs which Suncorp customers can use free of charge from today.

Suncorp Bank CEO David Foster said customers could use the branch and ATM locator application to find any of the 2000 ATMs in the Suncorp and Bendigo network nationwide, as well as new and existing Suncorp branches.

“We’re expanding our branch network and have opened six new branches in the past couple of months with more planned by year end. We are Australia’s only ‘A’ rated regional bank with the service and customer satisfaction of a small bank but access which rivals the majors,” he said.

Download the branch and ATM locator, which is accessible on iPhones™ and other handheld devices:

Go to www.m.layar.com and download the layar browser then search Suncorp Bank or visit www.suncorpbank.com.au for more information.
