### Suncorp Bank appoints Paul Kirchner as Senior Business Manager for Bundaberg

Paul Kirchner has been appointed Suncorp Bank's newest Senior Business Manager for Bundaberg.

Suncorp Bank Regional General Manager for Central Queensland Troy Constance said the appointment was great news for local business and agribusiness customers as well as for Suncorp Bank.

"Paul has more than 31 years experience in the banking sector, and brings with him a wealth of local knowledge and a strong commitment to client service," Mr Constance said.

"Paul spent the past five years as Business Development Manager for the Wide Bay region at Bank West, and prior to this worked for 26 years at Westpac in a number of lending management roles throughout Queensland," he said.

"Having grown up on sugar and cattle grazing properties in Bundaberg, Paul is well-versed in the issues facing local customers in the Wide Bay area.

"Paul's experience and passion for working closely with clients to understand their individual financial requirements and offer them the best financial solutions will be an asset to Bundaberg's Suncorp Bank team," Mr Constance said.

Paul said he was already enjoying getting to know his new clients and colleagues as well as exploring the opportunities that existed having joined Australia's largest regional bank.

"The Suncorp Bank brand is well-established and highly regarded throughout Queensland and I am proud to have joined a bank with such a strong history supporting rural and regional customers and communities," Mr Kirchner said.

"I know that Suncorp Bank's customers really appreciate the superior access to senior management on offer, as well as the opportunity for local stakeholders to share a voice in key decisions at the Bank," he said.
