What travel money options are available?

When you're getting ready for your overseas holiday, the last thing you want to worry about is how you're going to pay for your expenses along the way.

Suncorp Bank can arrange whatever you need, from a Cash Passport card and foreign currency cash to travellers cheques and the convenience of Visa Debit and Credit Cards. You can even combine several products to make things easier on your trip.

Cash Passport¹ – the secure and convenient way to travel overseas with money

The Cash Passport card is a prepaid currency card available in Euros, British Pounds, US, Australian and NZ dollars.

The card can be used to withdraw cash at over 1.4 million Visa ATMs worldwide and make purchases at over 30 million Visa merchants.

To manage your Cash Passport just visit www.cashpassport.com.au where you can easily check your balance and find your closest ATM. Additional funds can be reloaded onto the card at your local branch or using BPAY[®], via the Phone or Internet. Cash Passport cards can also be used again and again for future travel.

An ideal combination is a mixed wallet containing both the Cash Passport and Visa Debit cards.

Foreign currency cash² – handy on arrival

Did you know you can exchange your money into numerous foreign currencies at Suncorp Bank branches before you travel? When you first arrive overseas having local currency comes in very handy for basics like taxis, phone calls, meals and drinks.

If you have any foreign currency left when you arrive home, Suncorp Bank will be happy to convert it back to Australian dollars for you.

Travellers Cheques³ – safer than cash

American Express Travellers Cheques mean security. They're a safe and secure form of travel money because you can get a refund or replacement if your cheques are lost or stolen, usually within 24 hours. You can also be assured of absolute convenience as American Express Travellers Cheques are accepted by millions of retailers, hotels and restaurants around the world.

Visa Debit⁴ and Credit Cards⁵ for total convenience

Visa cards are the ideal travelling companion and one of the most widely recognised names in the world. If you have a Visa Debit Card or Credit Card you'll be able to pay for goods and services just about anywhere. Both of these cards are accepted at over 29 million locations and ATMs in more than 170 countries. You can now use your Debit or Credit Card with Visa payWave for purchases under \$100 at participating merchants to make payment faster and easier.

Suncorp Bank Visa Debit Card

Can be linked to any of our everyday accounts – giving you the convenience and freedom to access your own money. It's similar to a Cash Passport, only the exchange rate is applied at the time of purchase, rather than it being locked in before you travel. You can use your Suncorp Bank Visa Debit Card to pay for goods and services wherever you see the Visa symbol. You can also use it to access cash at ATMs from your Suncorp Bank transaction account⁶.

Suncorp Clear Options Visa Credit Card⁵

You can also apply for a Suncorp Clear Options Visa Credit Card. Choose a card with up to 55 days interest free⁷ or one with a lower rate.

Also enjoy complimentary access to the Suncorp Bank Rewards program and receive Reward points for your purchases⁸.

Travel easy with Suncorp Bank, from Cash Passport cards and foreign currency cash to travellers cheques and Visa Debit and Credit Cards.
