- (g) Any payment whether voluntary or in any other circumstances received by a Holder from or on account of the Issuer (including by way of credit, set-off or otherwise howsoever) or from any liquidator, receiver, manager, administrator or statutory manager of the Issuer in breach of this Condition 3.3 or Condition 10.2 will be held by the relevant Holder in trust for and to the order of the Other Creditors. The trust hereby created shall be for a term expiring on the earlier of the date on which all Other Creditors have been paid in full or eighty years from the date of the issue of the Subordinated MTNs.

In the event of the Winding-Up of the Issuer, the rights of the Holders will rank in preference only to the rights of (i) preferred and ordinary shareholders, (ii) creditors of the nature referred to in paragraph (c) of the definition of "Other Creditors" in Condition 1.1 whose claims against the Issuer rank, or are expressed to rank, after the claims of the Holders and (iii) creditors whose claims against the Issuer may at any future time be expressed to rank after the claims of the Holders while not necessarily ranking pari passu with the claims of creditors of the nature referred to in paragraph (c) of the definition of "Other Creditors" in Condition 1.1.

3.4 Solvency Requirements - Payments in respect of Subordinated MTNs

This Condition 3.4 applies only to Subordinated MTNs and any reference to "principal" is a reference to principal which is due prior to the Maturity Date.

Prior to the Winding-Up of the Issuer:

- (a) the obligations of the Issuer to make payments of any principal or interest due in respect of the Subordinated MTNs shall be conditional upon the Issuer being Solvent (as defined below) at the time of payment by the Issuer;
- (b) no principal or interest due shall be payable in respect of the Subordinated MTNs except to the extent that the Issuer could make such payment and still be Solvent immediately thereafter; and
- (c) failure to make payments of any principal or interest due, if the Issuer is not Solvent at the time of payment or if the Issuer can not make such payment and still be

Solvent immediately thereafter, does not constitute an Event of Default in respect of the Subordinated MTNs.

For the purposes of this Condition 3.4, the Issuer shall be considered to be "**Solvent**" if:

- (a) it is able to pay its debts to Other Creditors as they fall due; and
- (b) its Assets exceed its Liabilities.

A report as to whether the Issuer is Solvent signed by two Authorised Signatories of the Issuer or the Auditors shall, unless the contrary is proved, be treated and accepted by the Issuer and the Holders as correct and sufficient evidence of the truth of its contents.

4. Interest Bearing Securities

4.1 Interest Bearing Securities

The following provisions of this Condition 4 apply to Interest Bearing Securities except to the extent expressly provided for in the relevant Pricing Supplement.

4.2 Calculation of Interest

(a) Interest on Fixed Rate Securities

Each Fixed Rate Security bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Security, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

Except as provided in the relevant Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount or Broken Amount specified as such in the relevant Pricing Supplement.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest Sub-Unit of the relevant Specified Currency, half of any such Sub-Unit being rounded upwards or otherwise in accordance with applicable market convention.

(b) Interest on Floating Rate Securities and Index-Linked Interest Securities

(i) Interest Payment Dates

Each Floating Rate Security and Index-Linked Interest Security bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Security, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- A. the Interest Payment Date(s) in each year as specified in the relevant Pricing Supplement; or
- B. if no Interest Payment Date(s) is/are specified in the relevant Pricing Supplement, each date which falls the number of

months or other period specified as the Specified Period in the relevant Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

(ii) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Floating Rate Securities and Indexed-Linked Interest Securities will be determined in the manner specified in the relevant Pricing Supplement.

(c) **Screen Rate Determination for Floating Rate Securities**

(i) **Screen Rate Determination**

Where Screen Rate Determination is specified in the relevant Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- A. the offered quotation; or
- B. the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at approximately 10.00 am on the Interest Determination Date in question plus or minus (as indicated in the relevant Pricing Supplement) the Margin (if any), all as determined by the Issuer. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Issuer for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

In the event that the Relevant Screen Page is not available or if, in the case of A above, no such offered quotation appears or, in the case of B above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph then, other than as set out below, the Rate of Interest shall be the arithmetic mean of the offered quotations that each of the Reference Banks is quoting (or such of them, being at least two, as are so quoting) to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Registrar.

If fewer than two Reference Banks are so quoting the Reference Rate, other than as set out below, the Rate of Interest shall be the arithmetic mean of the rates per annum (determined as a percentage) that the

Registrar determines to be the rates (being the nearest equivalent to the Reference Rate) in respect of deposits of A\$100,000 that at least two out of five leading banks selected by the Registrar in the Relevant Financial Centre, are quoting at or about the Relevant Time for a period equivalent to the relevant Accrual Period to leading banks carrying on business in the Relevant Financial Centre; except that, if fewer than two of such banks are so quoting to such leading banks, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date.

(ii) **Minimum and / or Maximum Rate of Interest**

If the relevant Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (i) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the relevant Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (i) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iii) **Determination of Rate of Interest and Calculation of Interest Amounts**

The Registrar will in the case of Floating Rate Securities and the Calculation Agent will in the case of Index-Linked Interest Securities at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index-Linked Interest Securities, the Calculation Agent will notify the Registrar of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Registrar will calculate the Interest Amount payable on the Floating Rate Securities or Index-Linked Interest Securities in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest Sub-Unit of the relevant Specified Currency, half of any such Sub-Unit being rounded upwards or otherwise in accordance with applicable market convention.

(iv) **Notification of Rate of Interest and Interest Amounts**

The Registrar or the Calculation Agent (as applicable) will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Registrar and any stock exchange on which the relevant Floating Rate Securities or Index-Linked Interest Securities are for the time being listed and notice thereof to be published in accordance with Condition 15 as soon as possible after their determination but in no event later than the

fourth Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Securities or Index-Linked Interest Securities are for the time being listed or by which they have been admitted to listing and to the Holders in accordance with Condition 15.

(v) **Notifications to be Final**

All notifications, communications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4.2(c) shall (in the absence of default, bad faith or manifest error by it or any of its directors, officers, employees or agents) be binding on the Issuer, the Registrar, the Calculation Agent and all Holders and (in the absence of the above) no liability to the Issuer or the Holders shall attach to the Calculation Agent or the Registrar in connection with the exercise or non-exercise by it of its powers, duties and discretions under this Condition.

(d) **Dual Currency Securities**

In the case of Dual Currency Securities, if the rate or amount of interest fails to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the available Pricing Supplement.

(e) **Partly Paid Securities**

In the case of Partly Paid Securities (other than Partly Paid Securities which are Zero Coupon Securities), interest will accrue as aforesaid on the paid-up Nominal Amount of such Securities and otherwise as specified in the relevant Pricing Supplement.

(f) **Interest Accrual on Unpaid Interest in relation to Subordinated MTNs**

Interest accrues on each amount of interest which is due but unpaid as a result of the operation of Condition 3.4 at the Rate of Interest applicable to the relevant Subordinated MTN in relation to which the interest is due, from the relevant Interest Payment Date up to, but excluding the date of actual payment.

5. **Accrual of interest**

Each Security (or, in the case of the redemption of part only of such Security) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Security have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Security has been received by the Registrar, as the case may be, and notice to that effect has been given to the Holders in accordance with Condition 15.

6. Redemption and Repurchase

6.1 At Maturity

Unless previously redeemed or purchased and cancelled as specified below, each Security will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the relevant Pricing Supplement in the relevant Specified Currency on the Maturity Date.

6.2 Redemption for Tax, Non-deductibility and/or Regulatory Reasons

- (a) Subject to Condition 6.9 in the case of Subordinated MTNs and subject to paragraph (d) in the case of paragraphs (a)(i), (ii) and (iii) below, the Issuer may in respect of the Securities of any Series, at its option, redeem the Securities in whole, but not in part, at any time (if this Security is neither a Floating Rate Security, an Index-Linked Security or a Dual Currency Security) or on any Interest Payment Date (if this Security is either a Floating Rate Security, an Index-Linked Security or a Dual Currency Security), on giving not less than 30 nor more than 60 days' notice to the Registrar and the Holders (which notice shall be irrevocable), if on the occasion of the next payment due in respect of the Securities:
- (i) the Issuer would be required to make payment of any Additional Amount (as defined in Condition 9.3); or
 - (ii) the interest payable in respect of the Securities is not or may not be allowed as a deduction for Australian income tax purposes; or
 - (iii) where the Securities are Subordinated MTNs only, the Securities cease to qualify as Lower Tier 2 capital under the standards and guidelines published by APRA or its successors.
- (b) Prior to the publication of any notice of redemption pursuant to this Condition 6.2, the Issuer shall deliver to the Registrar a certificate signed by authorised signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that:
- (i) the Issuer has or will become obliged to pay Additional Amounts referred to in paragraph (a)(i) above; or
 - (ii) the Issuer is not or may not be entitled to the deduction referred to in paragraph (a)(ii) above; or
 - (iii) the Subordinated MTNs cease to qualify as Lower Tier 2 capital as referred to in paragraph (a)(iii) above.
- Upon the expiry of any notice as is referred to in this paragraph (b) the Issuer shall be bound to redeem the Securities to which the notice refers in accordance with the provisions of this paragraph.
- (c) Securities redeemed pursuant to:
- (i) Condition 6.2(a)(i) will be redeemed at their Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption; or

- (ii) Conditions 6.2(a)(ii) or (a)(iii) will be redeemed at their Early Redemption Amount (Non-deductibility and Regulatory).
- (d) The Issuer may redeem the Securities of any Series under paragraphs (a)(i), (ii) and (iii) above provided that the Issuer will be in a position on the relevant date to discharge all its liabilities in respect of the Securities and any amounts required to be paid in priority to or ranking equally with the Securities.

6.3 Redemption at the Option of the Issuer

If Issuer Call is specified in the relevant Pricing Supplement, the Issuer, having given (and subject, in the case of Subordinated MTNs, to Condition 6.9):

- (a) not less than 15 nor more than 30 days' notice to the Holders in accordance with Condition 15; and
- (b) not less than 15 days before the giving of the notice referred to in Condition 6.3(a), notice to the Registrar,

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Securities then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the relevant Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a Nominal Amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount in each case as may be specified in the relevant Pricing Supplement. In the case of a partial redemption of Securities, the Securities to be redeemed shall be selected as may be fair and reasonable in the circumstances, having regard to prevailing market practices and in such manner as the Issuer deems appropriate, subject to compliance with any applicable laws and stock exchange requirements.

6.4 Redemption at the Option of the Holders

If Investor Put is specified in the relevant Pricing Supplement, upon any Holder giving to the Issuer in accordance with Condition 15 not less than 15 nor more than 30 days' notice or such other period of notice as is specified in the relevant Pricing Supplement the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the relevant Pricing Supplement, in whole (but not in part), such Security on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the relevant Pricing Supplement together (if appropriate) with interest accrued to (but excluding) the Optional Redemption Date in any multiple of their lowest Specified Denomination.

To exercise the right to require redemption of their Security the Holder must deliver, at the specified office of the Registrar any time during normal business hours of the Registrar, falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of the Registrar and in which the Holder must specify a bank account (or, if payment is by cheque, an address to which payment is to be made under this Condition 6.4).

Any notice given by a Holder pursuant to this Condition 6.4 shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing which would entitle the Holder to declare the Security due and payable in which event such Holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this Condition 6.4 and instead to declare such Security forthwith due and payable pursuant to Condition 10.

6.5 Instalments

If the Securities are repayable in instalments, then subject to early redemption (in which case, the Early Redemption Amount applies), they will be redeemed in the Instalment Amounts and on the Instalment Dates (as each such term is specified in the Pricing Supplement).

6.6 Partly Paid Securities

If the Securities are Partly Paid Securities, they will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 6.6 and the relevant Pricing Supplement.

6.7 Purchases

The Issuer or any of its Subsidiaries (as that term is defined in the Corporations Act) may subject, in the case of Subordinated MTNs, as provided in Condition 6.9, at any time purchase Securities at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Holders alike. Such Securities may be held, reissued, resold or, at the option of the Issuer, surrendered to the Registrar for cancellation.

6.8 Cancellation

All Securities which are redeemed or surrendered will forthwith be cancelled.

6.9 Consent of APRA

Unless otherwise specified in the relevant Pricing Supplement, the Issuer has given an undertaking to APRA not to redeem any Subordinated MTNs pursuant to Conditions 6.2 or 6.3, nor to purchase any Subordinated MTNs pursuant to Condition 6.7, without first consulting with and obtaining the prior written approval and consent of APRA.

7. The Register

7.1 Place of Keeping Register, Copies and Access

The Register kept in relation to Securities other than Austraclear Securities must be:

- (a) kept at the Registrar's principal office or at such place as the Issuer may, from time to time, nominate;
- (b) open for inspection by a Holder during normal business hours but only in respect of information relating to that Holder; and
- (c) not made available to be copied by any person except that the Registrar must, upon payment of its reasonable copying costs make available to each Holder an extract of the Register containing details of all Securities held by that Holder,

in each case, in compliance with such terms and conditions (if any) as the Issuer may impose.

7.2 Closing of Register

The Register shall be closed by the Registrar for the purpose of determining the entitlements of Holders to payments under or in respect of Securities other than Austraclear Securities during the period commencing at 5.00 pm on the Record Date prior to each date for the payment of principal, each Interest Payment Date, and the Maturity Date.

7.3 Issuer May Appoint Registrar

The Issuer may appoint another person to be the Registrar and to do all of the things which these Terms and Conditions requires the Registrar to do or contemplates will be done by it, provided that:

- (a) the appointment of that person must be by written agreement between the Issuer and that person;
- (b) the Issuer must promptly and diligently exercise its rights and enforce performance by that person of its obligations under that agreement; and
- (c) subject to paragraph (b), the Issuer shall have no liability to any Holder or any other person for the performance by that person of its obligations.

8. Transfers of Securities

8.1 Restriction on Transfer of Securities

Unless otherwise specified in the Pricing Supplement, Securities may only be transferred:

- (a) in whole;
- (b) within, to or from Australia if the aggregate consideration payable by the transferee at the time of the transfer is a minimum of A\$500,000 (or the equivalent amount in an alternate currency determined at the date of the transfer and in either case, disregarding moneys lent by the transferor or its associates) or the offer or invitation giving rise to the transfer does not constitute an offer or invitation for which disclosure is required to be made to investors in accordance with Part 6D.2 of the Corporations Act;
- (c) to a person who is not a "retail client" within the meaning of Section 761G of the Corporations Act; and
- (d) if the transfer complies with the laws of the jurisdiction in which the transfer takes place or the offer is received.

8.2 Form of Transfer

Every transfer of Securities shall be effected by Transfer and Acceptance, duly completed and executed by the transferor and transferee, duly stamped (if applicable), and lodged with the Registrar. The Registrar will promptly upon request make available to Holders forms of Transfer and Acceptance.

Austraclear Securities may only be transferred on the Register or uplifted from the System as expressly permitted by the relevant Registry Services Agreement.

8.3 CHESSE Approved Securities

If an interface is established between the Register and CHESSE, subject to Condition 8.4, the Issuer may:

- (a)
 - (i) by deed poll supplemental to the Deed Poll amend the Terms and Conditions; and
 - (ii) amend the relevant Registry Services Agreement by agreement with the parties to it,

in each case in such manner as the Issuer considers necessary or appropriate to facilitate the settlement of transactions in respect of Quoted Securities through CHESSE; and
- (b) upon such amendments being made, take such action as is necessary for Quoted Securities to be traded and settled as "CHESSE Approved Securities" within CHESSE.

8.4 Conditions to Amendments for CHESSE

The Issuer must not amend the Terms and Conditions in accordance with Condition 8.3 unless it is satisfied that:

- (a) those amendments and the settlement of transactions in respect of the Quoted Securities through CHESSE are not prejudicial to the interests of Holders; and
- (b) any credit rating assigned by a credit rating agency to any Securities will not be downgraded, suspended, withdrawn or placed on "credit watch negative".

The Issuer must, as soon as reasonably practicable, lodge a copy of each amendment to the Deed Poll with the Registrar, the Dealers and ASX.

8.5 Lodgements in System

If the Securities are lodged in the System, despite any other provision of these Terms and Conditions, the Securities are not transferable on the Register, and the Issuer may not, and must procure that the Registrar does not, register any transfer of the Securities and no member of the System has the right to request any registration of any transfer of the Securities, except:

- (a) for any repurchase, redemption or cancellation (whether on or before the Maturity Date of the Securities (if applicable)) of the Securities, a transfer of the Securities from Austraclear to the Issuer may be entered in the Register; and
- (b) if either:
 - (i) Austraclear gives notice to the Registrar stating that a member of the System has stated to Austraclear that it needs to be registered in relation to the Securities in order to pursue any rights against the Issuer following an alleged default by the Issuer and that need appears to the Registrar (in its absolute discretion) to be reasonable; or
 - (ii) Austraclear purports to exercise any power it may have under the Regulations from time to time or these Terms and Conditions, to require Securities to be transferred on the Register to a member of the System,

the Securities may be transferred on the Register from Austraclear to the member of the System.

In any of these cases, the Securities will cease to be held in the System.

8.6 Special transferees

The Registrar must register the transfer of a Security to a person entitled upon death, bankruptcy, liquidation or winding-up of a Holder or a vesting order, subject to receipt of satisfactory evidence as to such entitlement or status, and in accordance with applicable laws. A transfer to an unincorporated association is not permitted.

8.7 Partial transfers

If a transferor executes a Transfer and Acceptance for fewer than all Securities registered in the name of that transferor, and the Securities to be transferred are not identified, the Registrar may register the transfer in respect of such of the Securities as are registered in the name of the transferor as the Registrar thinks fit, provided that the aggregate Principal Outstanding amount of the Securities transferred equals the aggregate Principal Outstanding amount of the Securities specified in the Transfer and Acceptance.

8.8 No Fee for Registration of a Security Transfer

No fee shall be charged for the registration of any Transfer and Acceptance.

8.9 Taking Effect of Transfers

- (a) A Transfer and Acceptance shall not take effect until registered, and until the transferee is inscribed in the Register as the Holder of the relevant Securities, the transferor shall remain the Holder of those Securities.
- (b) If a Transfer and Acceptance is received by the Registrar during any period when the Register is closed, the Registrar need not register the Transfer and Acceptance until after the Register is re-opened.

8.10 Inconsistencies

In the event of any inconsistency between the terms of any Registry Services Agreement and the terms of this Condition 8, the terms of the Registry Services Agreement will prevail.

9. Payments and Prescription

9.1 Payment to Designated Account

All payments in respect of each Security must be made to the Holder in Dollars on the due date for payment:

- (a) according to the details entered on the Register as at 5.00 pm on the Record Date;
- (b) in the case of Austraclear Securities, by settlement in favour of the Holder in accordance with the Regulations; and
- (c) in the case of all other Securities, by payment to such bank account in Australia as the Holder may designate to the Issuer in writing.

Payments in respect of a Security registered in joint names will be made to the relevant Holders jointly unless the Holders specify otherwise. Payments will be subject in all cases to (i) fiscal or other laws and regulations applicable thereto in any jurisdiction, but without prejudice to the provisions of Condition 9.3, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed

pursuant to sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto.

9.2 Failure to Designate Account

If payments in respect of a Security which is not an Austraclear Security are prevented or delayed because a Holder fails to notify the Issuer of an account to which such payments are to be made, that Holder will not be entitled to any interest or other additional payments in respect of such delay. The Holder will, however, continue to be entitled to such prevented or delayed payment upon notification of an account for payment.

9.3 Taxation

If this Condition 9.3 is specified in any Pricing Supplement as being applicable, all payments by the Issuer (whether in respect of principal redemption amount, interest or otherwise) in respect of the relevant Securities will be made without set-off or counterclaim and free and clear of, and without deduction of or withholding on account of any taxes, levies, duties, charges, deductions or withholding of any nature (together, "**Taxes**") now or hereafter imposed, levied, collected, withheld or assessed of or in the Commonwealth of Australia or any political subdivision therein or thereof, unless such withholding or deduction is required by law. In that event the Issuer will pay such additional amounts ("**Additional Amounts**") as may be necessary in order that the net amount received by the Holders after such withholding or deduction equals the respective amounts which would otherwise have been receivable in respect of the relevant Securities in the absence of such withholding or deduction, except that no Additional Amounts are payable in relation to any payments in respect of any Security:

- (a) to, or to a third party on behalf of, a Holder who is liable to such Taxes in respect of such Security by reason of his having some connection with the Commonwealth of Australia or any political subdivision therein or thereof other than the mere holding of such Security or receipt of payment (whether in respect of principal, redemption amount, interest or otherwise) in respect thereof;
- (b) to, a Holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non-residence or similar cause for exemption to any tax authority in the place where payment under the Security is made;
- (c) presented for payment more than 30 days after the Relevant Date except to the extent that a Holder would have been entitled to Additional Amounts on claiming the same for payment on the last day of the period of 30 days assuming, whether or not such is in fact the case, that day to have been a Business Day;
- (d) to, or to a third party on behalf of, a Holder who is liable to the Taxes in respect of the Security by reason of the Holder being an associate of the Issuer within the meaning of sections 128F(5), 128F(6) or 128F(9) of the *Income Tax Assessment Act 1936 (Cth)*;
- (e) to, or to a third party on behalf of an Australian resident Holder, if that person has not supplied an Australian Business Number, appropriate tax file number or exemption details;
- (f) for or on account of any interest withholding tax imposed in the Commonwealth of Australia as a result of a determination by the Commissioner of Taxation of the Commonwealth of Australia that such tax is payable under the *Income Tax*

Assessment Act 1936 (Cth) in circumstances where the Holder, or a third person on behalf of the Holder, is party to or participated in a scheme to avoid such tax which the Issuer was neither a party to nor participated in; or

- (g) in such other circumstances as may be specified in the Pricing Supplement.

For the avoidance of doubt, no Additional Amounts are payable in relation to any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Code or otherwise imposed pursuant to sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto.

9.4 No set-off or counterclaim

All payments by the Issuer under or in respect of any Security, whether of principal, interest or other amounts must, except to the extent expressly provided for in the relevant Pricing Supplement, be made free of any set-off or counterclaim.

9.5 Business Day Convention

If the day on or by which any sum is payable under or in respect of any Security, or any act matter or thing is to be done in respect of any Security, is a day other than a Business Day, such sum shall be paid and such act, matter or thing shall be done on the date determined according to the applicable Business Day Convention.

9.6 Prescription

Claims against the Issuer for payment in respect of the Securities shall be prescribed and become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

9.7 Order of application

Any payment made by the Issuer in respect of a Security is deemed to be made, and will be applied, in the following order:

- (a) first, in payment of interest due but unpaid;
- (b) second, in payment of other amounts due in respect of the relevant Security, that are not principal or interest; and
- (c) third, in repayment of any Principal Outstanding.

10. Events of Default

10.1 Senior MTNs

This Condition 10.1 applies only to Senior MTNs and references to Holders in this Condition 10.1 shall be construed as references to Holders of Senior MTNs.

If any one or more of the following events occurs and is continuing:

- (a) if the Issuer fails to pay any principal or interest in respect of the Senior MTNs within ten days of the relevant due date;
- (b) the Issuer defaults in performance or observance of or compliance with any of its other obligations set out in the Senior MTNs where the failure is incapable of

remedy or which, being a default capable of remedy the failure continues for a period of 21 days following the service by a Holder on the Issuer of a notice requiring such default to be remedied;

- (c) it is or will become unlawful for the Issuer to perform or comply with any one or more of its obligations under the Senior MTNs;
- (d) the Issuer:
 - (i) becomes insolvent, is unable to pay its debts as they fall due or fails to comply with a statutory demand (which is still in effect) under Section 459F of the Corporations Act; or
 - (ii) stops or suspends or threatens to stop or suspend payment of all or a material part of its debts, or appoints an administrator under Section 436A of the Corporations Act; or
 - (iii) begins negotiations or takes any proceeding or other step with a view to re-adjustment, rescheduling or deferral of all its indebtedness (or any part of its indebtedness which it will or might otherwise be unable to pay when due) or proposes or makes a general assignment or an arrangement or composition with or for the benefit of its creditors, or a moratorium is agreed or declared in respect of or affecting the indebtedness of the Issuer, except in any case for the purposes of a solvent reconstruction or amalgamation the terms of which have previously been approved by an Extraordinary Resolution of the Holders;
- (e) an order is made or an effective resolution is passed for the winding-up of the Issuer, except in any case for the purposes of a solvent reconstruction or amalgamation the terms of which have previously been approved by an Extraordinary Resolution of the Holders, or an administrator is appointed to the Issuer by a provisional liquidator of the Issuer under Section 436B of the Corporations Act;
- (f) a distress, attachment, execution or other legal process is levied, enforced or sued out against or on the Issuer or against the assets of the Issuer in respect of any amount otherwise equalling or exceeding the value of the whole or a substantial part of the assets of the Issuer and is not stayed, satisfied or discharged within 30 days or otherwise contested in bona fide proceedings;
- (g) an encumbrancer takes possession of, or a receiver is appointed over, the whole or a substantial part of the undertaking, property, assets or revenues of the Issuer (other than in respect of monies borrowed or raised on a non-recourse basis) and that event is continuing for 30 days; or
- (h) any event occurs which, under the laws of any relevant jurisdiction has an analogous or equivalent effect to any of the events mentioned in this Condition 10.1,

then any Holder of a Senior MTN may, by written notice to the Issuer, effective upon the date of receipt thereof by the Issuer, declare any Senior MTN held by the Holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 6.4), together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

10.2 Subordinated MTNs

- (a) This Condition 10.2 applies only to Subordinated MTNs and references to Holders in this Condition 10.2 shall be construed as references to Holders of Subordinated MTNs.
- (b) Subject to Condition 10.2(c), no remedy against the Issuer (including, without limitation, any right to sue for a sum of damages which has the same economic effect of an acceleration of the Issuer's payment obligations), other than:
- (i) action to recover amounts of principal, interest or other amounts due in respect of the Subordinated MTNs which the Issuer has failed to pay; or
 - (ii) the institution of proceedings for winding-up or liquidation or proving or claiming in any winding-up or liquidation of the Issuer,
- shall be available to the Holders for the recovery of amounts owing in respect of such Subordinated MTNs or in respect of any breach by the Issuer of any obligation, condition or provision binding on it under the terms of the Subordinated MTNs. In particular, the Holder shall not be entitled to exercise any right of contractual set-off or counterclaim which may be available to it against amounts owing by the Issuer in respect of such Subordinated MTNs.
- (c) The remedies specified in Condition 10.2(b) shall become exercisable in the event that there is a failure to make payment of any principal, interest or other amounts due in respect of the Subordinated MTNs within 10 days of the due date provided that such remedies will not be exercisable as a result only of a failure to pay any principal which is due prior to the Maturity Date, or interest due, for the reasons specified in Condition 3.4.
- (d) In the event that an effective resolution is passed by shareholders or an order of a court of competent jurisdiction is made that the Issuer be wound up (otherwise than for the purposes of a consolidation, amalgamation, merger or reconstruction the terms of which have previously been approved by the shareholders of the Issuer or by a court of competent jurisdiction under which the continuing corporation or the corporation formed as a result of such consolidation, amalgamation, merger or reconstruction effectively assumes the entire obligations of the Issuer under the Subordinated MTNs, the terms of such resolution or court order to have been approved by an Extraordinary Resolution of Holders), then any Holder may, by written notice to the Issuer, effective upon the date of receipt thereof by the Issuer, declare any such Subordinated MTNs held by the Holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

11. Meeting of Holders, Modifications and Waiver

11.1 Meetings of Holders

Meetings of Holders may be convened in accordance with the Meeting Provisions contained in Schedule 2 of the Deed Poll. Any such meeting may consider any matters affecting the interests of Holders, including, without limitation, the variation of the terms of the Securities by the Issuer and the granting of approvals, consents and waivers, and the declaration of an Event of Default.

11.2 Modification of the Deed Poll

The Deed Poll may be amended by the Issuer, without the consent of any Holder for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision contained therein which does not, in the reasonable opinion of the Issuer, adversely affect the interests of the Holders. All other amendments to the Deed Poll must be passed at a duly convened meeting of Holders by an Extraordinary Resolution. The Issuer will notify the Registrar of any amendments made pursuant to this Condition and will use its reasonable endeavours to procure that the Registrar notifies the Holders of the amendment by post to the address of the Holders recorded in the Register.

In respect of any Subordinated MTN, the Issuer shall not agree to any modification of the terms or conditions of any Subordinated MTN which may affect the eligibility of any Subordinated MTN to continue to qualify as "Lower Tier 2 Capital" under the standards and guidelines of APRA or its successors, without obtaining the prior written consent of APRA.

12. Further Issues of Securities

The Issuer may from time to time without the consent of the Holders create and issue further Securities either having the same terms and conditions as the Securities in all respects (or in all respects except for the Issue Date or first payment of interest on them) and so that such further issue of Securities shall be consolidated and form a single Series with the outstanding Securities of any Series upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Securities include (unless the context requires otherwise) any other Securities issued pursuant to this Condition and forming a single Series with the Securities.

Any further issue of Subordinated MTNs by the Issuer will only be permissible with APRA's prior written approval.

13. Credit Rating

The Issuer must at all times, when any Security is outstanding which has not been redeemed in full, ensure that its debt obligations under the Securities are rated by at least one of Standard & Poor's, Moody's or Fitch.

14. Calculation Agent

The Issuer will procure that, for so long as any Securities remain outstanding, there will at all times be a Calculation Agent in relation to those Securities. The Issuer may terminate the appointment of a Calculation Agent in accordance with the terms of the original appointment of that Calculation Agent. If any person is unable or unwilling to continue to act as a Calculation Agent, or if the appointment of the Calculation Agent is terminated, the Issuer will appoint a successor Calculation Agent to act as such in its place, provided that neither the resignation nor termination of the Calculation Agent will take effect until a successor has been appointed. Notice of the appointment of a successor must be given by the Issuer to the relevant Holders and the Arranger. If a person for any reason fails to perform its function as Calculation Agent by the due time and date in relation thereto, the Issuer may do so or cause another person to do so.

15. Notices

16.1 Governing law

The Deed Poll, each Security, the Terms and Conditions relating to each Security, and each Pricing Supplement are governed by and must be construed in accordance with the laws applying in Queensland.

16.2 Jurisdiction

The Issuer, for the exclusive benefit of the Holders, irrevocably:

- (a) submits to and accepts, generally and unconditionally, the non-exclusive jurisdiction of the courts and appellate courts of Queensland with respect to any legal action or proceedings which may be brought at any time relating in any way to the Deed Poll, the Terms and Conditions relating to each Security, and any Pricing Supplement; and
- (b) waives any objection it may now or in the future have to the venue of any such action or proceedings and any claim it may now or in the future have that any such action or proceeding has been brought in an inconvenient forum.

17. Inconsistencies

Subject to Condition 8.10, in the event of any inconsistency between the terms of the Deed Poll, the Terms and Conditions relating to each Security and each Pricing Supplement and the terms of the relevant Registry Services Agreement, the terms of the Deed Poll, the Terms and Conditions relating to each Security and each Pricing Supplement prevail.

5. Use of Proceeds

The Issuer will use the net proceeds from the issue of Securities for its general funding purposes.

6. Subscription and Sale

The Issuer may offer the Securities from time to time to the Dealers (subject to the terms and on the conditions contained in each relevant Subscription Agreement entered into between the Issuer and the relevant Dealers). The Issuer may also sell the Securities directly on its own behalf to other intermediaries and purchasers procured by it, at its discretion.

Australia

No prospectus or other disclosure document (as defined in the *Corporations Act 2001 (Cth)*) in relation to the Programme or the Securities has been lodged with the Australian Securities and Investments Commission or ASX Limited ABN 98 008 624 691. Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that unless the relevant Pricing Supplement provides otherwise, it:

- (a) has not made or invited, and will not make or invite, an offer of the Securities for issue or sale or for subscription or purchase in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, the Information Memorandum or any offering material or advertisement relating to the Securities in Australia,

unless (i) the minimum aggregate consideration payable by each offeree is at least A\$500,000 (or equivalent in an alternate currency) (disregarding moneys lent by the offeror or its associates) or the offer does not require disclosure to investors in accordance with Part 6D.2 of the *Corporations Act*; (ii) the offer or invitation is not made to a person who is a "retail client" within the meaning of section 761G of the *Corporations Act*; and (iii) such action complies with all applicable laws and regulations.

In addition, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that in connection with the primary distribution of the Securities it will not sell the Securities to any person if, at the time of such sale, the employees of the Dealer who were aware of, or were involved in, the sale, knew or had reasonable grounds to suspect that, as a result of such sale, any Securities or an interest in any Securities were being, or would later be acquired (directly or indirectly) by an associate of the Issuer:

- (a) a non-resident of Australia that did not acquire the Securities in carrying on a business in Australia at or through a permanent establishment in Australia and did not acquire the Securities in the capacity of a dealer, manager or underwriter in relation to the placement of the Securities; or a clearing house, custodian, funds manager or a responsible entity of a registered scheme; or
- (b) a resident of Australia that acquired the Securities in carrying on a business in a country outside Australia at or through a permanent establishment in that country and did not acquire the Securities in the capacity of a dealer, manager or underwriter in relation to the placement of the Securities; or a clearing house, custodian, funds manager or a responsible entity of a registered scheme.

No offers for subscription or purchase, or issues of invitations to subscribe for or buy, or sell or deliver any Securities may be made in any jurisdiction outside Australia except in accordance with all laws applicable in that jurisdiction.

This Information Memorandum, any prospectus, circular, advertisement or any other offering or

other material issued by or on behalf of the Issuer, relating to any Security, may not be distributed in any jurisdiction outside Australia except in accordance with all laws applicable in that jurisdiction.

New Zealand

The Issuer does not intend that the Securities should be offered for sale or subscription to the public in New Zealand in terms of the Securities Act 1978.

Each Dealer has represented, and each further Dealer appointed under the Programme will be required to represent, that (a) it is a person whose principal business is the investment of money or who, in the course of and for the purpose of its business, habitually invests money; and (b) no Dealer may offer, sell or deliver Securities or distribute any advertisements or offering material relating to the Securities, in breach of any provision of the Securities Act 1978.

United States of America

The Securities have not been and will not be registered under the Securities Act of 1933 of the United States of America (the "**Securities Act**") and may not be offered or sold within the United States or to, or for the account or benefit of, US persons except in certain transactions exempt from the registration requirements of the Securities Act.

The Notes in bearer form are subject to US tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by US tax regulations. Terms used in this paragraph have the meanings given to them by the Code and regulations thereunder.

In connection with any Securities which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S ("**Regulation S Securities**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulation S Securities:

- (a) as part of their distribution at any time; and
- (b) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Securities on a syndicated basis, the relevant Dealer, of all Securities of the Series of which such Regulation S Securities are a part, within the United States or to, or for the account or benefit of, US persons and it will have sent to each Dealer to which it sells any Regulation S Securities during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Regulation S Securities within the United States or to, or for the account or benefit of, US persons.

Until 40 days after the commencement of the offering of any Series of Securities, an offer or sale of Securities within the United States by any Dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Each issue of Securities shall be subject to such additional US selling restrictions as the Issuer and the relevant Dealer or Dealers shall agree as a term of the issue and purchase of such Securities, which additional selling restrictions shall be set out in the applicable Pricing Supplement. Each relevant Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will offer, sell or deliver Securities only in compliance with such additional US selling restrictions.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Directive 2003/71/EC (the "**Prospectus Directive**") (each, a "**Relevant Member State**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Securities to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of Securities to the public in that Relevant Member State:

- (a) if the final terms in relation to the Securities specify that an offer of those Securities may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a "**Non-exempt Offer**"), following the date of publication of a prospectus in relation to such Securities which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Securities referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of Securities to the public" in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe for the Securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression "Prospectus Directive" means Directive 2003/71/EC (and any amendments thereto, including the 2010 PD Amending Directive to the extent that it has been implemented) and also includes any relevant implementing measure in the Relevant Member State and the expression "2010 PD Amending Directive" means Directive 2010/73/EU.

- (d) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

Any subsequent sale of Securities within 6 months from a purchase made under paragraphs (a) and (b) above must be confined to institutional investors, relevant persons as defined in Section 275(2) of the SFA, or persons to whom an offer is made pursuant to Section 275(1A) of the SFA.

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue of any Securities in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Securities in, from or otherwise involving the United Kingdom.

Hong Kong

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme

will be required to represent and agree, that:

- (a) it has not offered or sold and will not offer or sell into Hong Kong, by means of any document, any Securities other than:
 - (i) to persons whose ordinary business it is to buy or sell shares or debentures (whether as principal or agent);
 - (ii) to "professional investors" as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong and any rules made under that Ordinance; or
 - (iii) in other circumstances which do not result in the document being a "prospectus" as defined in the Companies Ordinance (Cap. 32) of Hong Kong or which do not constitute an offer to the public within the meaning of that Ordinance; and
- (b) it has not issued or had in its possession for the purpose of issue and will not issue or have in its possession for the purpose of issue, whether in Hong Kong or elsewhere, any advertisement, invitation or document relating to the Securities, which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Securities intended which are or are intended to be disposed of only to persons outside Hong Kong or only to "professional investors" as defined in the Securities and Futures Ordinance and any rules made under that Ordinance.

Japan

The Securities have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Law No.25 of 1948, as amended; the "**FIEA**") and each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer or sell any Securities, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan (as defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Control law (Law No.228 of 1949, as amended)), or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, a resident of Japan, except in compliance with the FIEA and any other applicable laws and regulations of Japan.

GENERAL

The above selling restrictions may be modified by agreement between the Issuer and the Dealers following a change in relevant law, regulation or directive, as set out in the relevant Pricing Supplement.

No action has been taken in any jurisdiction that would permit a public offering of any of the Securities, or possession or distribution of the Information Memorandum, any advertisement or other offering material or Pricing Supplement in any country or jurisdiction for action where that purpose is required.

Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Securities or possesses or distributes this Information Memorandum, any advertisement or other offering material or any Pricing Supplement and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Securities under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers, sales or deliveries and neither the Issuer nor any other Dealer shall have any responsibility therefor.

6. Subscription and Sale

Neither the Issuer nor any of the Dealers represents that any Securities may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

With regard to each Series, the relevant Dealer will be required to comply with such other additional restrictions as the Issuer and the relevant Dealer shall agree and as shall be set out in the applicable Pricing Supplement.

7. Australian taxation

The following is a summary of the Australian taxation treatment at the date of this Information Memorandum of payments of interest (as defined in the Income Tax Assessment Act 1936 of Australia ("**Australian Tax Act**")) on the Securities and certain other matters. It is not exhaustive and, in particular, does not deal with the position of certain classes of Holders (such as dealers in securities). Prospective Holders should be aware that the particular terms of issue of any Series of Securities may affect the tax treatment of that and other Series of Securities. The following is a general summary of some of the key issues and should be treated with appropriate caution.

Holders who are in any doubt as to their tax positions should consult their professional advisers.

Interest payable under the Securities

The requirements for obtaining an exemption from Australian interest withholding tax are set out in section 128F of the Australian Tax Act. So far as it applies to the Programme, the Australian Tax Act contains the following key features:

- (a) in order to qualify for the exemption from Australian interest withholding tax, the Issuer must be either:
 - (i) a resident of Australia when it issues the Securities and when interest (as defined in Section 128A(1AB) of the Australian Tax Act) is paid; or
 - (ii) a non-resident of Australia that is carrying on business at or through a permanent establishment in Australia when it issues the Securities and when interest (as defined in Section 128A(1AB) of the Australian Tax Act) is paid;
- (b) the Issuer is required to self assess the availability of the exemption from interest withholding tax;
- (c) there are five public offer tests (of which one must be satisfied), the purpose of which is to ensure that lenders in overseas capital markets are aware that the Issuer is offering Securities for issue. In summary, the five public offer tests are:
 - (i) offers to 10 or more unrelated financiers or securities dealers;
 - (ii) offers to 100 or more investors;
 - (iii) offers of listed Securities;
 - (iv) offers via publicly available information sources; and
 - (v) offers to the Dealers who on-sell the Securities within 30 days by one of the preceding methods;
- (d) no public offer test will be satisfied if, at the time of the issue, the Issuer knew or had reasonable grounds to suspect that the Securities would be, or would later be, acquired either directly or indirectly by an associate of the Issuer and:
 - (i) either:
 - A. the associate is a non-resident and the Securities were not, or would not be, acquired by the associate in carrying on a business in Australia at or through a permanent establishment of the associate in Australia; or

- B. the associate is a resident of Australia and the Securities were, or would be, acquired by the associate in carrying on a business in a country outside Australia at or through a permanent establishment of the associate in that country; and
- (ii) the Securities were not, or would not be, acquired by an associate in the capacity of a dealer, manager or underwriter in relation to the placement of the Securities or a clearing house, custodian, funds manager or responsible entity of a registered scheme; and
- (e) the Section 128F exemption will also not be available if the Issuer knew, or had reasonable grounds to suspect, at the time of payment of interest, that the interest would be paid to an associate and:
 - (i) either:
 - A. the associate is a non-resident and the payment is not received by the associate in respect of Securities that the associate acquired in carrying on a business in Australia at or through a permanent establishment of the associate in Australia; or
 - B. the associate is a resident of Australia and the payment is received by the associate in respect of Securities that the associate acquired in carrying on a business in a county outside Australia at or through a permanent establishment of the associate in that country; and
 - (ii) the associate does not receive the payment in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme.

The Issuer intends (where appropriate) to issue the Securities in a manner which will satisfy one of the five public offer tests and which otherwise meets the requirements of Section 128F of the Australian Tax Act.

Section 126 of the Australian Tax Act imposes a form of withholding tax at the rate of 45 per cent. on the payment of or crediting of interest on certain bearer debt securities (other than certain promissory notes) if the Issuer fails to disclose the names and addresses of the holders to the Australian Taxation Office.

Section 126 does not apply to the extent that the debenture is held by a non-resident who is not engaged in carrying on a business in Australia at or through a permanent establishment in Australia where the issue of the Securities satisfied the requirements of Section 128F of the Australian Tax Act or interest withholding tax is payable. In relation to Securities held by other persons, the Australian Taxation Office has confirmed that for the purposes of Section 126, the holder of the Securities means the person in possession of the Securities. Therefore, where interests in Securities are held through the Austraclear, Euroclear or Clearstream systems, the operators of the systems are the holders of the Securities for the purposes of Section 126.

As set out in more detail under the heading “Taxation” in Condition 9.3 of the Securities, if the Issuer should at any time be compelled by law to deduct or withhold an amount in respect of any withholding taxes, the Issuer shall, if specified in the relevant Pricing Supplement and subject to certain exceptions set out in that Condition, pay such additional amounts of principal and interest as may be necessary in order to ensure that the net amounts received by the Holders of the relevant Securities after such deduction or withholding shall equal the respective amounts which would have been receivable had no such deduction or withholding been required.

The Issuer has been advised that under Australian laws as presently in effect:

- (i) assuming the requirements of Section 128F of the Australian Tax Act are satisfied with respect to the Securities of each Series, payment of interest (or amounts in the nature of interest) to a Holder who is a non-resident of Australia and who, during the taxable year, has not held any Securities in the course of carrying on trade or business through a permanent establishment within Australia will not be subject to Australian income taxes. However, the Issuer may be required by Section 126 of the Australian Tax Act to deduct or withhold income tax at the rate of 45 per cent., on interest paid or credited during a taxable year on Securities which, during that taxable year, are acquired by an Australian resident or by a non-resident that carries on business (whether within or outside Australia) at or through a permanent establishment in Australia;
- (ii) a Holder who is a non-resident of Australia and who during the taxable year has not engaged in trade or business at or through a permanent establishment within Australia will not be subject to Australian income tax on gains realised during that year on sale or redemption of Securities, provided such gains do not have an Australian source. A gain arising on the sale of a Security by a non-Australian resident holder to another non-Australian resident where that Security is sold outside Australia and all negotiations and documentation are conducted and executed outside Australia would not be regarded as having an Australian source;
- (iii) no Securities will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (iv) no ad valorem stamp duty, issue, registration or similar taxes are payable in Australia on the issue of any Securities or the transfer of any Securities (except where the transfer is not for full value and the Securities are physically in, or registered in, South Australia);
- (v) Section 12-140 of the Taxation Administration Act 1953 of Australia ("**TAA**") imposes a type of withholding tax at the rate of (currently) 46.5 per cent. on the payment of interest on Securities in registered form unless the relevant Holder has quoted a tax file number ("**TFN**"), in certain circumstances an Australian Business Number ("**ABN**") or proof of some other exception (as appropriate). Assuming that the requirements of Section 128F of the Australian Tax Act are satisfied with respect to Securities in registered form, these rules should not apply to payments to a Holder who is not a resident of Australia for tax purposes and not holding such Securities in the course of carrying on business at or through a permanent establishment in Australia. Withholdings may be made from payments to holders of Securities in registered form who are residents of Australia or non-residents who carry on business at or through a permanent establishment in Australia but who do not quote a TFN, ABN or an appropriate exemption. For the avoidance of doubt, these provisions will not apply to Securities in bearer form;
- (vi) Section 12-190 of the TAA imposes another type of withholding obligation such that if the Issuer makes payment to a Holder for a supply the Holder has made to the Issuer in the course or furtherance of an enterprise carried on in Australia by the Holder, the Issuer must withhold amounts from that payment at the prescribed rate (currently 46.5 per cent.) unless the Holder has quoted its ABN or another exception applies.

However, these rules will not apply where a TFN, ABN or proof that a relevant exemption is applicable has been provided in accordance with sub-paragraph (v) above, or a deduction is made by the Issuer for a failure to provide such information. On the basis that all Holders will fall within Section 12-140 (discussed above), the withholding requirements in Section 12-190 of the TAA should have no residual operation;

(vii) for Holders that are resident in the United States or the United Kingdom and certain other jurisdictions, the double tax conventions with Australia contain provisions which prevent interest withholding tax applying to interest derived by:

A. certain government bodies, authorities and agencies; and

B. certain financial institutions.

These provisions have not been considered in detail because it is envisaged that the issue of the Securities will satisfy the exemption from interest withholding tax in Section 128F; and

(viii) neither the issue of the Securities nor the payment of principal and interest by the Issuer will give rise to a liability for goods and services tax in Australia.

Tax Laws Amendment (Taxation of Financial Arrangements) Act 2009

The Tax Laws Amendment (Taxation of Financial Arrangements) Act 2009 ("**TOFA Act**") received royal assent on 26 March 2009. The TOFA Act introduced Division 230 of the Income Tax Assessment Act 1997 of Australia which contains a comprehensive set of principles and rules for the taxation of financial arrangements ("**TOFA Regime**"). The Securities will be within the definition of financial arrangement.

Certain taxpayers are (except where significant deferral of tax is involved) excluded from the TOFA Regime, unless they elect otherwise. The excluded taxpayers include individuals and entities whose annual turnover and/or value of assets is below certain monetary thresholds.

Broadly, the TOFA Act:

- sets out the methods under which gains and losses from financial arrangements will be brought to account for tax purposes;
- establishes criteria that determine how different financial arrangements are characterised, and treated under, the different methods; and
- treats gains and losses on revenue account, except where specific rules apply.

If interest withholding tax or the exemption in Section 128F of the Australian Tax Act applies to a payment of interest, the TOFA Regime will not apply to assess that interest. However, other gains and losses made in respect of financial arrangements may be dealt with under the TOFA Regime.

Broadly, the TOFA Regime will generally not apply to a Holder who is a non-resident of Australia who has not:

- engaged in trade or business at or through a permanent establishment within Australia; or
- derived Australian sourced gains or losses.
