Farm Management Deposit Account

Description	
Type of deposit	<p>These accounts provide tax benefits under the Farm Management Deposit (FMD) scheme. This scheme is designed to let eligible primary producers shift before-tax income from years when they need it least, to years when they need it most. This is to help better manage their exposure to adverse economic and seasonal fluctuations. Accounts can be 'At Call' or for a fixed term.</p> <p>For further information regarding the tax consequences of FMDs please contact the Australian Taxation Office on 13 28 61.</p>
Term	<p>For a deposit amount to retain the tax benefit of an FMD the deposit amount must be in the account for at least 12 months from the date of the deposit being made. Unless a special requirement* is satisfied, any deposit amount withdrawn in the first 12 months after the deposit was made will lose its tax benefit. You are responsible for reporting to the Australian Taxation Office any deposit amount withdrawn prior to 12 months from the date at which the deposit was made.</p>
Fees and Charges	<p>You will not be charged a fee for this product, but other fees and charges may apply for related services such as a telegraphic transfer. Any applicable fees and charges must be paid by you immediately when requested by us and will not be deducted from the FMD.</p>

Depositor	<p>The account owner must be a primary producer when any deposit is made. A deposit must not be made by 2 or more persons jointly or be made on behalf of 2 or more persons.</p>
Trusts	<p>Deposits must not be made:</p> <ul style="list-style-type: none"> (a) by the trustee of a trust estate on behalf of a beneficiary, unless the beneficiary is presently entitled to a share of the income of the trust estate and is under a legal disability; or (b) otherwise by a person in his or her capacity as a trustee.
Non transferable	<p>The rights of the depositor in relation to an FMD cannot be transferred.</p>
Not chargeable	<p>A charge or other encumbrance cannot be created over an FMD. An FMD cannot be used as a mortgage offset account.</p>

Transfer to another financial institution	<p>If you request in writing, we will electronically transfer your FMD, or part of your FMD, to another financial institution that is willing to accept the FMD as an FMD, provided you give us any information or assistance we need to complete the transfer.</p>

Negotiated Term Deposit – Interest

Negotiated Term deposits are available. Interest rates are negotiated when you open your account and remain fixed for the investment term.

General Information on Interest

Current interest rates are not included in this document because they are subject to change.

Current interest rates are available:

- By phoning 13 11 75; or
- By visiting our website suncorp.com.au

Changes to the standard interest rates are advertised in the national press on or before the date the interest rate is changed.

You can request a change to the destination account for your credit interest on your Suncorp deposit accounts.

Please remember that the interest has been earned on the original account and must be declared by the owner/s of that account.

Depending on your personal circumstances you may have to pay income tax on any interest earned. You should seek independent external taxation advice in this regard.

How is Tiered Interest Calculated?

Interest is based on a number of set dollar ranges, each having an applicable standard interest rate. When the credit balance exceeds set levels the interest rate for that tier will apply to the whole account balance.

The information below provides an example of how tiered interest for an account with 3 interest tiers is calculated.

- \$0 - \$1,999 X%
- \$2,000 - \$24,999 Y%
- \$25,000 + Z%

With **tiered interest**, a customer with a credit balance in their account of \$20,000 gets Y% interest on the whole of their balance or a customer with a credit balance of \$30,000 would get Z% interest on the whole balance.

Interest Payment Frequency

At Call Accounts

Interest is tiered, accrues daily and is paid annually on the anniversary of account opening.

Except for interest payments paid on maturity, interest payments will be paid at the expiry of each interest payment period selected in accordance with the interest payment frequency nominated by you and agreed by us.

The rate of interest that applies to a renewal (reinvestment) of the fixed term deposit will be the current fixed rate of interest on the maturity date.

Description

Breaking your term deposit

You may withdraw your deposit prior to the maturity date on a date agreed to by us. Partial withdrawals are not allowed. The whole deposit amount must be withdrawn by way of payment to a nominated Suncorp transaction or savings account.

If you break your Fixed Term Deposit prior to the maturity date you will lose a portion of the interest earned to the date you break your Fixed Term Deposit. This interest adjustment is made according to the proportion of the term completed as outlined in the table below. The interest adjustment specified in the table is the percentage of the interest earned to date on your deposit that you will lose in the event you break the investment term of the deposit at the time indicated in the table. The amount of the interest adjustment applied will depend on how early in the investment term you seek to withdraw your funds.

Proportion of term completed	Interest adjustment
0% – 25%	80% of interest earned up to the date we allow you to withdraw your deposit
26% – 50%	60% of interest earned up to the date we allow you to withdraw your deposit
51% – 75%	40% of interest earned up to the date we allow you to withdraw your deposit
76% – 100%	20% of interest earned up to the date we allow you to withdraw your deposit

Interest earned is interest that has accrued plus any interest that has been paid. Therefore if the interest adjustment is greater than what has been accrued and paid the difference will be taken from the principal.

Breaking your term deposit prior to the maturity date may also impact your tax benefits.

Any person may open an account provided our account opening requirements are satisfied.

You need to complete the required application form which gives us details we need to set up an account for you. You must also give us any information we require about you. We can choose not to open an account without giving you a reason. Errors on statements or confirmations, mistakes and un-authorised transactions

You must read statements and other records of your accounts and write to us promptly if there is a mistake, if information is missing or if statements show transactions you did not make.

Where monies have been transferred to your account by someone else or you by mistake, you agree:

- If you detect an error or believe a transaction was not authorised by you or that an amount has been credited to your account that you may not be entitled to, you must notify us as soon as you become aware of the transaction.
- Where monies have been transferred by you to another account in error or by mistake you are solely responsible in relation to correcting that error and any loss suffered.

Where monies have been transferred to your account by someone else or you in error, at the bank or elsewhere, you agree:

We are not responsible for any loss you may suffer due to errors, inaccuracies or omissions in relation to authorised but mistaken instructions given to us for the operation of your account.

Some transactions are governed by the EFT Code of Conduct. We will comply with the requirements of any law, code or scheme applying to any disputed transaction.

Closing your account

For At Call Accounts you can ask us to close your account. There are no fees on closing this account.

We can close your account immediately without telling you first if:

- you break the terms and conditions;
- we need to by law;
- you have given us false or misleading information; or
- you act in a manner that in our reasonable opinion threatens the security of our staff or property or any other person.

Under other circumstances, we will give you reasonable notice if we intend to close your account.

If your account is closed, you agree to:

- follow our rules for closing accounts;
- complete any forms or indemnities we need;
- repay any reasonable costs we have in closing your account; and
- meet any responsibilities you had under these terms and conditions and particular conditions before your account was closed.

When your account is closed, any credit balance and any accrued interest will be paid to you. If there are any outstanding fees, charges or other amounts owing to us we will deduct these first.

Payments between institutions

For some products you can ask to have money transferred to other accounts and to accounts with other institutions. No third party payments can be made. Automatic payments are not allowed.

We can charge a fee for these transfers if we agree to provide them.

Payment will only be made if your account has sufficient clear funds. If there is only enough money to make some payments, we decide when and what payments to make.

Where the transfer is to or from another institution, we are not liable to you for any time taken before those funds are transferred to or from the other institution. In some instances the funds may not be transferred until the second working day after a weekend or public holiday.

If you arrange to send a payment to another institution we will direct the transaction electronically to the intended account using only the BSB and account number information you give us. The account name may not be used to validate that the transaction has been posted to the correct account.

You should ensure you provide the correct BSB and account number details when you request any transfer payment. We are not liable to you for transactions that are directed to an incorrect account.

Losses and errors

An unauthorised transaction, that is a transaction you do not authorise, does not include any transaction carried out by you or by anyone performing a transaction with your knowledge and consent.

Where you do not authorise a transaction, you will not be responsible for losses which are:

- caused by fraudulent or negligent conduct of our staff or agents of ours or companies involved in networking arrangements or merchants or their agents or employees;
- losses that are caused by the same transaction being incorrectly debited more than once to the same account.

Where it is clear that you have not contributed to any loss caused by unauthorised transactions you will not be liable.

When you are liable for losses

You will be liable for losses resulting from unauthorised transactions in the following circumstance:

- where on the balance of probability we can prove that you contributed to the losses through fraud;

We are not responsible for any loss suffered if the account numbers, BSB or amounts of transactions you authorise are incorrect or invalid.

Once you authorise transactions to be processed we will not be able to stop, withdraw, suspend or delete the transfer, change any details or recover the funds.

If a transfer is unable to be processed by the receiving financial institution, the funds will be returned to your account. This may take approximately 5 days but can take longer depending on the other financial institution.
