Access to your accounts

You can only access your Treasury Foreign Currency Deposit Account by contacting your Treasury Representative by phone, fax or post.

What are the significant risks?

When you exchange your foreign currency to AUD it will be calculated at the exchange rate at that particular time. As exchange rates move up and down during the day, the rate at another time or day could be better or worse. When you exchange your foreign currency from your deposit to AUD the potential risk is that the exchange rate that you are quoted at that time is worse than what it was when you made your original or additional deposit.

When you hold your money in a Foreign Currency Fixed Rate Term Deposit you may not be able to access it until maturity, therefore you may be unable to take advantage of any favourable foreign exchange rate movements or interest rate movements.

There is a risk that exchange rates and/or foreign currency interest rates will move adversely. If this happens there is a risk that you could incur an actual loss to the extent that these rates move against you.

Remuneration and other benefits paid to the Representatives

Representatives employed in the Treasury area of the Suncorp Group receive an annual salary, which is based on a number of general factors including industry experience, location, qualifications and complexity of role. In addition, a Treasury Representative may be paid a bonus payment based on a number of factors including the Representative's individual performance. However, Representatives do not receive incentives, commissions or other payments based solely on individual sales or the advice provided by the Representative. At any point in time, it is not possible to determine if a Treasury Representative will receive a bonus or to quantify it.

Fees and charges

Fees or charges may apply for related services such as a telegraphic transfer. Also, other banks or financial institutions may charge a fee for delivering or transferring international funds to your account. We have no control over these charges or fees. Refer to your Treasury Representative.

In line with common market practice we apply a buy-sell spread (often called a margin) to our products.

This margin is the difference between the rate at which we lend or sell and the rate at which we borrow or buy. The margin will depend on a number of factors including for example:

- size of transaction
- term of product
- prevailing market rates
- our business relationship with you

The margin is not an additional cost but is incorporated in the price or rate you are quoted by us.

Frequently asked questions about Treasury Foreign Currency Fixed Rate Term Deposits

Your Questions	Our Answers
<p>When would I invest my funds in a Treasury Foreign Currency Fixed Rate Term Deposit?</p>	<p>If you have surplus foreign currency you could invest with us for a fixed term at a fixed interest rate, so you know exactly how much interest you will receive. You can choose a term that meets your needs or your expectations of interest or exchange rates. Discuss this with your Treasury Representative.</p>
<p>Can I give you my renewal instructions before my Fixed Rate Term Deposit matures?</p>	<p>Yes. Providing you are an authorised dealer and/or authorised signatory of the account you may contact your Treasury Representative. If we have not received your renewal instructions by the maturity date, we will contact you for them.</p>
<p>Can I withdraw part or all of my Fixed Rate Term Deposit before it matures?</p>	<p>No. A term deposit is money you deposit for a set time. You cannot withdraw it before the maturity date unless we agree. We may allow you to break your fixed rate term deposit in certain circumstances. Some of the factors we will consider are if you are suffering financial difficulty, the type of business relationship you have with us and if you agree to pay any interest adjustment applicable.</p>
<p>How is the interest adjustment determined if I break my Foreign Currency Fixed Rate Term Deposit before it matures?</p>	<p>If you break your Foreign Currency Fixed Rate Term Deposit before the maturity date, we determine whether an interest adjustment applies based on our current deposit rates for the remaining term. If our current deposit rates for the remaining term are higher than your original rate, an interest adjustment would apply and you would earn less interest than you originally expected to receive because the adjustment would be deducted from your accrued interest. If our current deposit rates are lower than your original rate, we will not positively adjust your accrued interest.</p> <p>You will always receive the principal back (the original deposit plus any interest that has been paid and reinvested) as only the accrued interest may be negatively adjusted.</p> <p>You should contact your Treasury Representative for details of the interest adjustment that may be applicable if you want to break your deposit before the maturity date.</p>

- (a) read down; and
- (b) construed as if it were varied so we are not required or permitted to apply or rely on that provision in a manner or to an extent that is inconsistent with that law or Code .

AFMA OTC market conventions

Where applicable, Suncorp endeavours to follow the Australian Financial Markets Association (AFMA) Over the Counter (OTC) Market Conventions.

The conventions are not legislative or prescriptive in nature. Rather, they are supposed to mirror the consensus view of the market as to what are the most common practices in the respective markets. This will enable you, Suncorp and other parties, to avoid misunderstandings due to differing perceptions of common market conventions when dealing.

If you require further information regarding the conventions please visit the AFMA website at www.afma.com.au.

Indemnity for loss or damage

Subject to law and these Terms and Conditions you indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us by any person arising directly or indirectly because you:

- did not observe any of your obligations under these conditions which leads to material loss being incurred by us; or
- acted negligently or fraudulently in connection with these conditions.

You agree to pay us for any reasonable loss, damage or costs we might have, if:

- (a) you do not follow any law or regulation that applies to your product, account, service or transactions on your account;
- (b) you do not follow our Terms and Conditions which leads to material loss being incurred by us;
- (c) a transaction, including an overseas transaction, you initiated is dishonoured, returned or cannot be processed or you failed to pay; or
- (d) there is any breach by you as a trustee or director.

Opening accounts

With the exception of the following dealings, any person including a child may open an account:

Providing our account opening requirements are satisfied you can also open accounts in the name of a company, partnership, association, business etc or as trustee for another party. Joint accounts can be opened by two or more persons or entities.

An account must be opened in the name of the correct legal entity.

You need to complete our Client Details Forms, which give us the details we need to set up an account for you and anyone else who will use the account. You must also give us any other information we require about you to open the account.

Subject to law, we can choose not to open an account without giving you a reason. The following will prevent you from opening an account:

- if you are an undischarged bankrupt;
- if you suffer from a serious illness that makes you unable to manage your financial affairs.

Joint accounts

How to operate a joint account

A joint account is held by more than one person. All account holders need to agree on who has access to the account and how. We need this advice in writing.

If one of you asks us in writing to change the authority to operate so that all of you must sign, we will do so.

If we become aware of a dispute, we may change the way the account can be accessed and require that all of you must sign.

If one of you dies, any funds in the account belong to the remaining joint owners.

Stopping operating on a joint account

The joint account cannot be accessed if any one of the account holders asks us in writing to stop transactions and we agree. After that, all account holders must agree in writing to any further transactions being done by any account holder or operator (except for deposits).

Where a request to stop transactions is received and agreed to by us any telephone banking access and internet banking access will be cancelled.

Statements

At least once every 6 months, or where otherwise required by a law or code we may give you a statement showing all transactions on your at call account. You can ask for a statement of your at call account at any time. However, you must produce suitable identification. We will give the statement to you as soon as possible unless the law permits us not to do so. You can also ask for copies of previous statements. We can charge a fee to provide statements.

Closing your account

You can ask us to close your account. There are no fees on closing a Suncorp Treasury account although for a Fixed Rate Term Deposit an adjustment to interest earned/payable may apply. If your account is a joint account, it can only be closed in accordance with the authority to operate the account that we hold. If more than one account holder is required to operate the account, then that number of persons is required to authorise the account to be closed.

You must pay us for any fees or interest that results from transactions being posted to your account after the account has been closed.

We can close your account immediately without telling you first if:

- (a) you break the terms and conditions in a material manner;
- (b) we have security or other valid reasons for doing so;
- (c) we need to by law;
- (d) you have given us false or misleading information; or

(e) you act in a manner that in our reasonable opinion threatens the security of our staff or property or any other person.

Under other circumstances, we will give you reasonable notice if we intend to close your account.

If your account is closed, you will be required to:

- (a) follow our rules for closing accounts;
- (b) complete any forms or indemnities we need;
- (c) repay any reasonable costs we have in closing your account; and
- (d) meet any responsibilities you had under these terms and conditions before your account was closed.

When your account is closed, any credit balance and any accrued interest will be paid to you. If there are any outstanding fees, charges or other amounts owing to us we will deduct these first.

Giving us instructions

Generally, we can act on instructions from you (including those given by telephone, fax or in any other electronic form where agreed from time to time). We can ask you to prove your identity and give us an acceptable indemnity before we act on your instructions. We can also delay or refuse to act on your instructions where it is necessary to comply with the law or any applicable Code or to protect our Legitimate Interests.

In consideration of us accepting or acting upon your instructions, including those given by telephone, fax or in any other electronic form from time to time, you acknowledge and agree:

1. Your instructions shall be sent to such number and for the attention of such individuals as we may require from time to time.
2. That fax instructions are sent on your letterhead or otherwise clearly identify you as the sender and signed by a duly authorised signatory. At our request you will confirm all instructions in writing where it is necessary to comply with the law or any applicable Code or to protect our Legitimate Interests.
3. Subject to law and our contractual obligations to you, we are not obliged to act upon instructions from you and acceptance of one or more instructions by us shall not oblige us to act on or otherwise accept further instructions from you where it is necessary to comply with the law or any applicable Code or to protect our Legitimate Interests.
4. Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we shall not be liable for any loss or damage (whether consequential or otherwise) incurred by you as a result of us acting on instructions which we believed were duly given by an authorised signatory or authorised dealer. You indemnify us against any loss incurred as a result of us acting in accordance with instructions, which we believed, were duly given.
5. Instructions shall be governed by and construed in accordance with the laws of Queensland.

Changing the Terms and Conditions

Subject to the law, we can change, add to, delete or vary these Terms and Conditions at any time where it is necessary to comply with the law or any applicable Code or to protect our Legitimate Interests. For example, we can change:

- (a) interest rates and the way we calculate interest;
- (b) fees and charges; or
- (c) when we charge or pay interest.

Telling you about the changes

Where we change the Terms and Conditions we will give you the period of notice set down by law, the EFT Code, the Code of Banking Practice or any other applicable codes. If no period of notice is needed, we can make changes, variations, additions or deletions immediately and you might not be told of these before they happen.

We can give you notice in any way permitted by law or a code including:

- (a) advice on or with your statement;
- (b) a notice on electronic equipment;
- (c) press advertisements; or
- (d) a letter.

Notices from us

Any notice or other document may be given by us by our sending it to your last known address (as last advised by you). Except where it contravenes a law or the EFT Code, provided that we send it to your last known address (as last advised by you), it is taken to have been received on the date it would have been delivered in the ordinary course of the post. A certificate signed by an officer of Suncorp is evidence of the postage date and that the mail was posted on the date stated in the certificate.

Changing Your Details

You must contact us promptly if you or any person authorised to make transactions on your behalf changes name, signature, residential address, postal address, phone or fax number.

You must also advise us promptly if you change your bank account details, standard settlement instructions, or authorised dealers or authorised signatories.

If you would like to change the name on your product (eg due to marriage, change of a company name) please contact us for details of our requirements.

If we become aware of any changes to your account details we can take reasonable steps to amend our account records and where practicable, we will advise you of any changes.

Our rights

We can exercise our rights at any time within the limits of the law. If we delay in exercising our rights, this does not mean we give up those rights.

Identity

By law, we must be sure of your identity and hold certain information about you and other relevant parties (for example, beneficiaries, shareholders) before you open an account. Otherwise, we may not be able to open an account for you. So we can comply with the law, you must provide any information and/or documentation we request.

In addition, from time to time we may request further information and/or documentation from you to assist the Bank in meeting our legal obligations. You must provide such information and/or documentation when requested.

If you are an existing Suncorp customer you will not generally be required to repeat the customer identification process, however you will need to identify yourself if we ask.

Taxation

Generally, the interest you earn on accounts you hold with us is taxable. The movements in exchange rates associated with Foreign Currency Deposits may also result in taxable gains or losses.

You can decide whether or not to give us your Tax File Number or ABN when you open an account with us. If you choose not to, any interest the account earns will be taxed at the maximum rate set by the Australian Taxation Office.

Children under 16, pensioners and others who do not have to lodge tax returns can claim an exemption. If you live outside Australia you must pay non-resident withholding tax on any interest your account earns unless you have an exemption. You can ask the Australian Taxation Office for an exemption if you are living overseas temporarily or if you are a member of the armed forces serving overseas. If you have an approved exemption you should tell us.

Under the Income Assessment Act, authority is given to collect and quote Tax File Numbers. We will keep your Tax File Number confidential. For more information about Tax File Number regulations, contact the Australian Taxation Office.

Please contact your accountant to discuss the taxation implications of this product.

Dealing authority and Power of Attorney

Dealing authority

You are able to give up to four people authority to provide instructions and transact on your behalf. This means that they will be able to fully operate your Treasury account and will be allowed to make deposits and withdrawals and conduct other transactions.

To authorise an individual to act on your behalf they must be listed on the Client Details Form, which must also be signed by you and complete the customer identification process.

You can specify what the person you appoint can do and which accounts they can access by completing the Special Instructions section of the Client Details Form. If you want to change or cancel the appointment of the person, you must provide original written advice detailing all changes, signed by you or another authorised signatory.

The appointment may also cease once we are notified of your death or that you have become mentally incapacitated or in the case of a business, resignation or change of role of the authorised signatory.

We only accept telephone transaction instructions from an authorised dealer. We only accept written instructions of any kind from an authorised signatory.

A person can be both an authorised dealer and an authorised signatory.

Power of Attorney

You can appoint a person to be your attorney under a Power of Attorney to transact on your behalf.

We must have an acceptable, certified copy of the original Power of Attorney and complete the customer identification process before an attorney can access an account/product. You must tell us as soon as possible if you cancel or revoke the Power of Attorney.

Risks with appointing dealing authorities and Powers of Attorney

You appoint a dealing authority or an attorney at your own risk.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, you are responsible for any transactions that person makes on your behalf, even if you do not know about them.

You must not give your Telephone Access Code, any password or other secret code or access method we give you to the appointed person or anyone else. We may issue a Telephone Access Code, password or other secret code or access method to the appointed person if you have authorised a third party to operate your account/product.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not responsible for a dealing authority/attorney or the way that a dealing authority/attorney accesses an account/product. Subject to law, unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not liable for any loss or damage caused by a person you have authorised to operate on your behalf.

Trusts

If you are the trustee, you:

- (a) must act according to the terms of the trust and for the benefit of the trust and its beneficiaries;
- (b) must not misuse the trust funds or use any rights you have against the trust funds;
- (c) agree to these terms and conditions as trustee and in your own personal capacity;
- (d) must be the only trustee (unless we agree to something different in writing);
- (e) must not breach the terms of the trust for as long as you have the account/product.

All transactions must follow the trust's guidelines. You must be authorised as trustee as well as complete the customer identification process to agree to these Terms and Conditions and any particular conditions.

Companies, partnerships and incorporated associations

If the account and/or product holder is a company, partnership or incorporated association we can only accept instructions/requests in the way the rules of the company, partnership or incorporated association allow.

If any director, partner or authorised office holder requests in writing that a hold be placed on the account, we can do this. If you request us to change the way an account is operated, you need to provide appropriate authority satisfactory to us, before we can make any changes. If we become aware of a dispute, we may place a hold on the account or change the way the account is operated.

Errors on statements or confirmations, mistakes and unauthorised transactions

You must read statements and other records and write to us promptly if there is a mistake, if information is missing or if statements show transactions you did not make.

If you detect an error or believe a transaction was not authorised by you or that an amount has been credited to your account that you may not be entitled to, you must notify us as soon as you become aware of the transaction.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, where moneys have been transferred by you to another account in error or by mistake you are solely responsible in relation to correcting that error and any loss suffered.

Where moneys have been transferred to you by someone else or you in error, you agree:

- (a) we may in our sole and absolute discretion disclose (disclosure to which you consent by the opening of your account) to the payer, the name and number of your account where your account has been incorrectly credited;
- (b) in the event of a dispute we may pay the funds to a court pending resolution of any dispute;

(c) we may in our absolute discretion on forming a reasonable opinion that your account has been incorrectly credited in error, freeze that amount in your account or reverse those funds from your account or deduct the amount of those moneys from your account.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not responsible for any loss you may suffer due to errors, inaccuracies or omissions in relation to authorised but mistaken instructions given to us for the operation of your account and/or product.

Some transactions are governed by the EFT Code of Conduct. We will comply with the requirements of any law, code or scheme applying to any disputed transaction.

Automatic payments and payments between institutions

(a) You may request your Treasury Representative to transfer any credit balance in your account (or any part thereof) to another account at Suncorp or to an account at another financial institution; and

(b) You can transfer money held in the same foreign currency to your account from another account at Suncorp or another financial institution;

provided the nominated account is in the same name as the investment being drawn on.

No Australian dollar third party payments can be made. Automatic payments are not allowed.

Please contact a Treasury Representative for details regarding payments. We can charge a fee for these transfers if we agree to provide them.

Payment will only be made if your account has sufficient clear funds. If there is only enough money to make some payments, in the absence of any other specification from you, we decide when and what payments to make.

Where the transfer is to or from another institution, unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations we are not liable to you for any time taken before those funds are transferred to or from the other institution. In some instances the funds may not be transferred until the second working day after a weekend or public holiday.

Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not responsible for any errors or omissions in respect of disbursement of payment by the receiving institution.

If you arrange to send a payment to us or ask us to send a payment to another institution we will direct the transaction electronically to the intended account using only the BSB and account number information you give us. The account name may not be used to validate that the transaction has been posted to the correct account.

You should ensure you provide the correct BSB and account number details when you request any transfer payment. Unless we are found to be negligent, fraudulent or to have otherwise breached our legal obligations, we are not liable to you for transactions that are directed to an incorrect account.

Cash and cheque deposits

Cash deposits or withdrawals are not allowed. Cheque deposits and withdrawals are not allowed unless we otherwise agree.

Set off

You agree that we can set off and/or apply the credit balance of any account that you have with us against any debt owed by you to us, without your prior consent. Where we are contractually obliged to do so, we will advise you as soon as practicable after the set off has occurred.

If we exercise this right we will withdraw the amount you owe us from the credit balance in your account and apply this amount to reduce any other amount you owe us.

Confirmations

We will send you a written confirmation of transactions made and the terms applying to same. The written confirmation will be conclusive evidence of the transaction made and terms applying to same unless you advise us otherwise, within 3 days of receipt of the confirmation.

If you advise us of any incorrect information contained in the confirmation within 3 days of receipt of the confirmation we will proceed to investigate and attempt to resolve the disputed information. In doing this, we will comply with the requirements of any law, code or scheme applying to any disputed transaction.

Losses and errors

An unauthorised transaction, that is a transaction you do not authorise, does not include any transaction carried out by you or by anyone performing a transaction with your knowledge and consent.

Where you do not authorise a transaction, you will not be responsible for losses that are:

- (a) caused by fraudulent or negligent conduct of our staff or agents of ours or companies involved in networking arrangements or merchants or their agents or employees;
- (b) losses that are caused by the same transaction being incorrectly debited more than once to the same account.

Where it is clear that you have not contributed to any loss caused by unauthorised transactions you will not be liable.

When you are liable for losses

You will be liable for losses resulting from unauthorised transactions where on the balance of probability we can prove that you contributed to the losses through fraud. We are not responsible for any loss suffered if the account numbers, BSB or amounts of transactions you authorise are incorrect or invalid or if you authorise transactions more than once in error.

You must check the details of each transfer and each transaction in a payment and ensure that the accounts, BSB and amounts are correct. Once you authorise transactions to be processed we will not be able to stop, withdraw, suspend or delete the transfer, change any details or recover the funds.

If a transfer is unable to be processed by the receiving financial institution, the funds will be returned to your account. This may take approximately 5 days but can take longer depending on the other financial institution.

If an electronic transfer to another financial institution fails, it is possible that the funds returned to us and subsequently returned to you, may be less than the funds originally transferred due to failure fees charged by the other financial institution or market movements in exchange rates if the return of funds involves an exchange.

Overseas transactions

Transactions processed in foreign currency may be converted to Australian dollars using the exchange rate specified by your Treasury Representative at the time of processing.

We will not be responsible for any losses as a result of fluctuations in exchange rates between when the overseas transaction was effected or requested and when the exchange rate was applied.

If we have reasonable grounds for thinking that your overseas transaction breaks any law applying at the time, we can refuse to process it.

Cheques drawn on an overseas institution cannot be deposited into your Treasury Foreign Currency deposit account.
