

Product update – Suncorp WealthSmart™

Issued 29 August 2011

On 16 November 2010, Suncorp announced the sale of the Tyndall Investments business (including Tasman Asset Management Limited and Tyndall Investment Management Limited) and SIM Funds Management (formerly Suncorp Metway Investment Management Limited) to Nikko Asset Management Co., Ltd (Nikko AM). The sale was completed on 1 March 2011.

The sale doesn't impact the day-to-day activities of the Tyndall investment management team. The team remains focused on managing members' portfolios and continues to be highly rated by the research community for its approach, process and performance track record.

Effective 1 September 2011, the Suncorp Traditional Balanced Fund also has new strategic asset allocations and ranges.
