

4. Child pension payment details

You may specify the annual amount of pension to be paid to your child while the child is under age 18.

Annual pension amount

Please pay the annual pension amount as follows:

- Discretionary amount (amount to be selected each year by child or nominated representative)
- The minimum annual pension amount they can legally receive
- Specific annual pension amount of \$ _____
- Not increased each year
- Increase annually by CPI

Payment frequency

Please pay the child pension

- Discretionary (frequency selected by child or appointed representative at commencement of child pension)
- Monthly
- Quarterly
- Half-yearly
- Yearly

5. Lump sum access

You can restrict your child from accessing lump sums from their account until they're older. However the pension must be paid out when the child reaches age 25, unless they are incapacitated. You may also specify the annual amount of pension to be paid to your child while the child is under age 18.

Lump sum access

Please apply the following restrictions to the child pension:

- No restriction on access
- No access until child is age

6. Account holder's declaration and signature

I request the Trustee to accept my nomination above. I understand that:

- If the Trustee is not permitted by law to pay a child a pension but my non-lapsing death benefit nomination is otherwise valid you'll pay that portion of my death benefit nomination to the child nominated as a lump sum.
- The terms of this nomination including any restrictions that I nominate can't be changed after my death.
- My child pension nomination will lapse if I revoke my non-lapsing death benefit nomination, or amend my non-lapsing death benefit nomination to exclude the child named in this form.
